For Immediate Release

Win a House, Win a Car, Win 28 Other Prizes through Ronald McDonald House's Raffle

CLEVELAND – The Ronald McDonald House of Cleveland's (RMH) Home for Hope - a \$350,000 + green built home that one lucky person will win - is now open! RMH is hosting tours of the Home for Hope every Saturday and Sunday from 10:00 a.m. - 4:00 p.m. now until the drawing on **Sunday, September 25, 2009**. The house is located at Copper Creek, a twenty-acre conservation development located at Pyle South Amherst and Middle Ridge Roads in Amherst, Ohio. The house will also be the featured stop in the Lorain County Extreme Home Tour (September 19 & 20).

While touring the home, guests can view many of the **Green Features** that encompass the house including a tankless water heating system and Straw Bale Wall. Other unique aspects of the house consist of bamboo, corn fiber and cork flooring, as well as high efficiency operating equipment. The house, which is R.J. Perritt Homes certified, was built by construction students at the Lorain County JVS under the supervision of master tradesman. Many of the donations in the house, including furniture from Basista and La-Z-Boy of Northeast Ohio, and landscaping by Davey Tree and Kurtz Bros. will remain at the house for the lucky winner!

This amazing home is just one of 30 prizes that will be available to win. Other prizes include a Honda Civic Hybrid courtesy of Jack Matia Honda, luxury suite experiences to an Indians, Browns, or Cavs game, as well as several \$1,000 gas and grocery packages. Tickets for the raffle are only \$100 and can be purchased during open house hours at the Home for Hope, through www.clevelandrmh.org, or by contacting the Ronald McDonald House of Cleveland.

To learn more about the Home for Hope, visit www.clevelandrmh.org or call (216) 229-5757.

###

The mission of the Ronald McDonald House® of Cleveland, Inc. is to support families whose children are receiving treatment at area medical centers by providing a home-like environment and essential resources and services.
